CALL FOR NOMINATIONS

Precision agriculture products and practices have been enhanced and improved over the past two decades in large part by the work of innovative and driven individuals and organizations. The **PrecisionAg[®] Awards of Excellence** program sheds light on some of the most important people and programs that have helped agriculture realize the full benefits of technology to improve agronomy, efficiency, and stewardship in crop production.

The **PrecisionAg[®] Awards of Excellence** presents four awards in the following categories:

Award #1

Precision Farmer of the Year

Award #2

**Precision Crop Adviser /
Entrepreneur of the Year**

Award #3

**Precision Agriculture Educator /
Researcher of the Year**

Award #4

Precision Agriculture Legacy Award

Who Can Nominate?

Award nominations must be submitted by a sponsor — any individual or individuals, company, or organization. Nominees can be working with precision technology anywhere in the world.

Judging Procedure

Entries will be reviewed and scored by a three-judge panel based on the criteria indicated on the nomination forms. Nominations with the highest score in each of the four categories will receive the award. Tie scores will be discussed and resolved by vote of the three judge panel, with the winner receiving the majority of votes.

Winners Receive

Winners will be invited to attend a special ceremony in their honor at the InfoAg Conference in Springfield, IL. Winners receive a full conference registration and are provided hotel accommodations for one night at the Crowne Plaza.

AWARDS OF EXCELLENCE

NOMINATION FORM

Agriculture Educator / Researcher of the Year

This award is to recognize an individual whose research or education program has advanced the principles and/or expanded the practice of precision agriculture. Consideration will be given to those individuals who have worked closely with manufacturers, consultants and growers on precision-focused research and outreach.

Nominations should clearly demonstrate four important qualities of the nominee for this award: innovation, leadership/professionalism, stewardship, and overall impact on precision farming.
